

Acupuncture and Oriental Medicine Open House

New York College of Health Professions is hosting an Open House for the spring 2022 trimester on Saturday, November 20, 2021 for its acupuncture and oriental medicine programs.

- Learn about the curriculum for both the acupuncture and oriental medicine programs
- Speak with the program Dean
- Learn about the internships available
- Hear from the admissions team regarding the admissions process
- Speak with financial aid about eligibility
- Tour the campus

RSVP is REQUIRED to ensure proper social distancing. All attendees will have their temperature checked upon entry and must wear a mask at all times while in the building.
