

TCM Acne Care 2: Integrative Approach with Acupuncture, Tui Na & Herbs

April 7, 2024 Sunday

Expand Your Horizons, Sharpen Your Skills!

This course is designed for for acupuncturists and students who want to enhance their knowledge and skills in cosmetic acupuncture and skin treatments for oily facial skin or acne using TCM methods. It provides an overview of Western medicine, covering facial anatomy and commonly used clinical practices. The course also covers the Eastern medical approach to treating acne. Participants will learn practical techniques such as acupuncture, herbal medicine (both internal and topical), and microneedling to effectively treat patients.
